## ST MUNGO

4.9%

Named after the patron saint of Glasgow and fellow brewer, this is our flagship Premium lager. St Mungo is a hybrid between a true Bavarian Helles and a Northern German Pils, which makes for a complex yet very drinkable Premium lager. Its natural carbonation and firm crisp taste perfectly counters its malty body. Clean, crisp, and refreshing.

2009 DLG German Gold Medal Winner.

Brewed to our own unique recipe, this Munich style red lager uses a high proportion of toasted malted barley, which gives the beer its unique colour, smooth and creamy body, and sweet biscuity flavour. This is a lager that may convert even the staunchest ale aficionado.

## GERMAN PALE ALE

5.2%

Like IPAs and their American counterparts, our German Pale Ale (A.K.A. "Koelsch" in its native Cologne) is light with a hoppy finish. It is made with both malted barley and wheat and is strongly hopped with American Chinook and Hallertau Mittelfrüh hops, which perfectly complement its dry biscuity finish.

## FEIERABEND

4.6%

'Feierabend' is a German phrase meaning 'the successful end of a working day'. This dry, single hopped pilsner is the perfect 'clocking-off' pint with its subtle fruitiness and hints of white wine.

## WEST BLACK

4.6%

With a smooth dark body and creamy long lasting head, WEST's first stout sits like a pint of fresh espresso. With a fudgy aroma and bold smoky flavours reminiscent of a French roast coffee, WEST Black is one to take time over and notice the flavour profile change as the temperature slowly increases in the glass.

## WILD WEST

This hazy golden lager is the unfiltered twin of our ever popular St Mungo. With more body and some bitter and yeasty notes, Wild WEST is a Premium lager which finishes with a little more bite.
